Movoto Real Estate blog has ranked the 10 most exciting places in Nebraska, and the biggest thrill isn't Omaha but Lincoln.

Says Movoto, "The capital city came in at the top of our list, for a young population, a ton of art and entertainment options, plus some of the finest dining in the state."

Movoto tracked 17 Nebraska places (each with a population of 10,000 or more) and judged them based on various criteria. Most nightlife per capita, for instance; and lowest percentage of fast food, highest percentage of young people, plentiful arts and entertainment and active lifestyle options.

Based on those factors, these are the 10 most exciting places:

1. Lincoln
2. Omaha
3. Kearney
4. Columbus
5. Hastings
6. South Sioux City
7. North Platte
8. Scottsbluff (tie)
8. Beatrice (tie)
10. Grand Island (tie)
10. Norfolk (tie)
